

## WHYBECHURCH?

*“Church is not a place or a service. Church is not a checklist or a chore. Church is you. Church is me. Church is us, doing life together as we live kingdom values and answering God’s call wherever we are.”*

This vision of the Kettering Church challenges us to create and grow a community where all realize they belong in the family of God. A family that regularly gathers to behold the Lamb of God, Jesus, who takes away the sins of the world, and that daily seeks to become like Jesus. As we study His life and teachings together, we go into our community and practice what it means to not simply go to church, but to bechurch. We hope you’ll join in!

## WEEKLYCHALLENGE

Read the story of Mary Magdalene and Judas Iscariot found in Matthew 26:6-16. Think about who Jesus was to Mary and Judas and how this impacted their choices. For Mary, He was everything, thus she gave Him all. For Judas, He was a means to an end – the liberation of the Jews – thus he was willing to do anything to get what he needed.

During the service you were asked to write one word on a card. Place that card somewhere accessible and let it be a reminder to you that God is at work – that He is going to help in His own way and in His own time.

## THISMONTH’S MINISTRY

### YA AND SL SABBATH SCHOOLS

Young Adult and Student Life are in desperate need of individuals willing to volunteer by providing and setting out a continental type breakfast each week for the 11am Bible Study. Food is the way to a young adult’s heart, and this beautiful gift encourages community and connections as we prepare to study the Scriptures. Food purchased can be donated or reimbursed. To get involved, contact Paddy McCoy.

### CMC BUILDING UPDATE We Are Delighted to Report!

During the past two months \$50k has been given to our building project through weekly offerings. This is fantastic. If you would like to meet with one of our campaign leaders to learn more about how to support this project, or to make a three to four year pledge, please contact Pastor Monte at: [monte@ketsda.org](mailto:monte@ketsda.org)

### Make Note...

For the *next two weeks*, piers are being drilled for the foundation of the Children’s Ministry Center (CMC). During this time, the main north doors will be inaccessible, leaving the Northwest Sanctuary entrance as the only accessible door on that side of the building.

### Thank You!

For your cooperation & patience
