

WHYBECHURCH?

“Church is not a place or a service. Church is not a checklist or a chore. Church is you. Church is me. Church is us, doing life together as we live kingdom values and answering God’s call wherever we are.”

This vision of the Kettering Church challenges us to create and grow a community where all realize they belong in the family of God. A family that regularly gathers to behold the Lamb of God, Jesus, who takes away the sins of the world, and that daily seeks to become like Jesus. As we study His life and teachings together, we go into our community and practice what it means to not simply go to church, but to BeChurch. We hope you’ll join in!

WEEKLYCHALLENGE

This week, our challenge is a two-parter. To help with limiting your screen time and living trust, contentment, and freedom in order to “Live Your Wednesday,” here are two suggestions:

1. Go a week without posting anything, good or bad, about your life. Just live your life.
2. Designate three times in a week when you will put your phone in a box in a separate room when you have down time in order to spend more quality time with God and those around you.

THISMONTH’S MINISTRY

YA AND SL SABBATH SCHOOLS

Young Adult and Student Life are in desperate need of individuals willing to volunteer by providing and setting out a continental type breakfast each week for the 11am Bible Study. Food is the way to a young adult’s heart, and this beautiful gift encourages community and connections as we prepare to study the Scriptures. Food purchased can be donated or reimbursed. To get involved, contact Paddy McCoy.

CMC BUILDING UPDATE We Are Delighted to Report!

During the past two months \$50k has been given to our building project through weekly offerings. That’s fantastic. If you are interested in this project and would like to know more about how to get involved, please contact Pastor Monte at: monte@ketsda.org

Make Note...

The piers have been drilled for the foundation of the Children’s Ministry Center (CMC). During this time, the main north doors will be inaccessible, leaving the Northwest Sanctuary entrance as the only accessible door on that side of the building. Next week, the main North doors will be accessible again.

Thank You!

For your cooperation & patience
