

WHY BECHURCH?

“Church is not a place or a program. Church is not a checklist or a chore. Church is you. Church is me. Church is all of us living kingdom values and answering God’s call wherever we are.”

This vision of the Kettering Church challenges us to create and grow a community where all realize they belong in the family of God. A family that regularly gathers to behold the Lamb of God, Jesus, who takes away the sins of the world, and that daily seeks to become like Jesus. As we study His life and teachings together, we go into our community and practice what it means to not simply go to church, but to BeChurch. We hope you'll join in!

WEEKLY CHALLENGE

As part of our Good Question Sermon Series, we want to encourage you to **continue** to ask questions and wrestle with our topics **throughout the week**. We hope you'll do so with others in our community of faith. Here are two questions related to today's topic:

1. What does Sabbath mean to you? If it's part of your Christian walk, why do you practice it? If not, how could you begin to incorporate Sabbath into your life today?

2. What does Sabbath mean to God? How does this impact how you incorporate Sabbath into your life?

Checkout these verses:
Gn. 2:3; Ex. 20:8-11; Dt. 5:12-15; Is. 66:2-4; Mt. 12:1-14

Next week's question:
*“Let's be honest...I sin...
So am I saved?”*

MINISTRY HIGHLIGHT

MUSIC MINISTRY Music is a unique gift from God that enriches our lives in immeasurable ways. The varied expressions of music in our worship services reflects each person's commitment to have a spiritual encounter with God.

This church is special in many ways, including our desire to experience worship through high-quality music. With numerous groups like the Advent Ringers, Praise Orchestra, Kettering Choir, Worship Bands, Children's Choir, Youth Ministries, String Ensemble, etc., we commit weekly to preparing a special offering through music.

All of our programs and ensembles have an open invitation. Join in the pursuit of creating joyful noise unto the Lord!
